

VISITOR'S QUOTES

Mr. G.S. Ranganath, Eshwara Inc, Bangalore

"We are sourcing agents mainly for home textiles and are regular visitors to Homtex. The home textiles range displayed here is fascinating, especially at the stall of Vaibhav International. We hope to place orders within a short time."

Mr. Kapil Arya, Renovate, Bangalore

"Renovate is a retailer of home textiles and soft furnishings in Bangalore. "I found the product range to be very limited. However, I did come across a few good products and was also happy to see the entire range of an exhibitor, from whom we are already purchasing. We might close deals for a few good products in the near future."

Mr. KSA Narasimha Raju, Lifestyle

"Hopefully there will be more options across all categories of home textiles and decor available in coming editions of the show. I did meet suppliers with whom we are already dealing. I am particularly interested in suppliers for the private home textiles label of Lifestyle."

Mr. Hasanand, Hasanand Handloom House Pvt Ltd., Jaipur

"we are impressed with the products on display, though we could not find much of a range in curtains and bedsheets, in which we deal. However, the profile of the show is interesting and we hope the range will improve."

Ms. Gili Lifshitz, Buyer and Stylist, Israel

"I am particularly impressed with the furnishing fabrics and other home textiles displayed at the stall of Vaibhav International. I will take forward the negotiations I have had with companies at this show."

Ms. Shashi Wadhwa, Soulpath Peace Foundation

"I was particularly fascinated by MESH Handicapped from Delhi, from whom we have decided to source."
