

## Leading brands to present their latest Fibers, Yarns, Fabrics and Accessories to their discerning buyers at the twin shows

**T**wo most awaited trade fairs; The 7th Edition of Yarnex - India International Yarn Exhibition and the 4th Edition of TexIndia - Textile Sourcing Fair will take place concurrently from September 10, 2015 for three days at the India Knit Fair Complex, Tirupur, Tamil Nadu, to once again, give attendees the ultimate one-stop business platform for all of their sourcing needs.

Ever since its inception in 2009, Yarnex has gained popularity amongst industry professionals throughout the region and continues to attract quality trade visitors. Over 50 upstream yarns and fiber suppliers from all over India and overseas have confirmed to showcase their collections of yarns and fibres ranging from natural fibers and yarns including cotton, wool, flax/ramie specialty products; elastic, fancy and blended yarns as well as regenerated and synthetic man-made fibers, there will also be on display soya bean, milk and bamboo fibers, nylon micro fibers, modal and tencel fibers, fire retardant polyester and viscose fibers, hi-tech polyester fibers and filaments for functional fabrics, pure silk, linen and jute yarns and value added cotton and blended yarns.

The 4th Edition of TexIndia will once again run concurrently with Yarnex. Over 36 Fabrics & Accessories companies have confirmed to showcase their products at TexIndia. On display will be products like ultrafine fabrics, single jersey and interlock fabrics, organic cotton fabrics, cotton lycra blends, grey fabrics, knitted fabrics, woven fabrics, dyed and processed fabrics, besides interlinings, embroidery threads and backing, buttons, laces, zippers, hangers, eyelets and allover embroidered fabrics, clothing accessories for innerwear and outerwear, etc.

The twin shows Yarnex and TexIndia gives manufacturers an opportunity to promote their products to the buyers from India & overseas, as well as reinforce relationships built over the years. The show is expected to attract top decision makers like chairmen, managing directors, directors, CEOs, general managers, purchase managers, merchandisers and designers from all over India as well as overseas as we have seen in earlier editions.

Exhibitors at both the fairs hail from various parts of India like Ludhiana, Delhi, Ahmedabad, Mumbai, Chandigarh, Surat, Secunderabad, Coimbatore, Erode, Tirupur, Bangalore etc. Both the fairs will prove to be a one-stop platform for those buyers seeking innovative fibres, yarns, apparel fabrics, trimmings and embellishments.

Yarnex / TexIndia is being organized by S S Textile Media Pvt Ltd, Bangalore, who has been successfully conducting the F&A Show / Homtex in Bangalore the last 12 years continuously. The company has added this year one more brand Fashion Connect - India International Fashion Exhibition which brings together on a single platform stakeholders in the fashion value chain.
